SPECIAL REQUIREMENT: Possession of a New York Professional Engineer's License at time of examination.

Duties: The work involves planning, directing, and administering environmental health programs in Cattaraugus County. An incumbent directs a staff which applies the principles of engineering and the physical, biological and social sciences for the detection, evaluation, control, and management of those factors in the environment which influence man's health. The work is performed under the general direction of a Commissioner of Health or Public Health Director. Supervision is exercised over a staff of sanitarians, technicians, and clerical employees. An Environmental Health Director does related work as required.

Subjects of Examination:

Ensuring effective inter/intra agency communications - These questions test for understanding of techniques for interacting effectively with individuals and agencies, to educate and inform them about topics of concern, to clarify agency programs or policies, to negotiate conflicts or resolve complaints, and to represent one's agency or program in a manner in keeping with good public relations practices. Questions may also cover interacting with the staff of one's own agency and/or that of other agencies in cooperative efforts of public outreach or service.

Preparing written material - These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

Application of scientific principles and knowledge to public and environmental health protection - These questions test for knowledge of public and environmental health principles, the ability to investigate and identify the causes of various public and environmental health problems, and to recommend the appropriate remedial actions for such problems.

Program planning and evaluation - These questions test for knowledge of the principles and practices involved in effective program planning and management and may include such areas as designing programs to achieve certain goals, staffing program activities, coordinating and guiding the progress of program activities, and evaluating the effectiveness of such programs.

Microbiology as related to disease prevention and control, sanitary chemistry, and toxic substances - These questions test for knowledge of the principles and practices of microbiology involved in disease prevention and control, including such areas as food, water and environmental sanitation, toxic substances, and communicable diseases.

Administrative supervision - These questions test for knowledge of the principles and practices involved in directing the activities of a large subordinate staff, including subordinate supervisors. Questions relate to the personal interactions between an upper level supervisor and their subordinate supervisors in the accomplishment of objectives. These questions cover such areas as assigning work to and coordinating the activities of several units, establishing and guiding staff development programs, evaluating the performance of subordinate supervisors, and maintaining relationships with other organizational sections.

Test guide: The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication 'General Guide to Written Tests' helpful in preparing for this test. Issued: March 22, 2023

PARTICIPATION IN MULTIPLE EXAMINATIONS: If you have applied for both State and Local government examinations, you must take all your examinations at the State examination center. You will be advised by letter when and where to report for your examinations.

If you have applied for another local government examination with **another local civil service agency**, call or write each civil service

agency to make arrangements. You must notify all government civil service agencies with whom you have filed an application of the test site at which you wish to take your examination.

SATURDAY SABBATH OBSERVERS - HANDICAPPED PERSONS: If special arrangements for testing are required, please indicate this on your application(s).

CANDIDATES PLEASE NOTE: Your application for this test is part of the examination process. Applications must be completely filled out with all pertinent information stated. The Commission does not refer to other applications on file for additional information. Applications which do not show training and/or experience to meet the minimum qualifications will be disapproved. Vagueness and ambiguity will not be resolved in your favor.

VETERANS: Disabled and non-disabled war veterans who are eligible for additional credits must submit an application for veterans' credits. Candidates who wish to claim veterans' credits on an examination should request an application and information sheet from the Cattaraugus County Civil Service Commission. Veterans' application forms will also be available upon request at the examination center. The completed forms must be received before the eligible list for the examination is established in order to utilize additional credits.

Effective January 1, 2014, War-time Veterans who previously used non-disabled veterans credits for appointment or promotion and are subsequently certified by the Veteran's Administration as a disabled veteran may again be eligible for additional exam credits. To apply for subsequent disabled veteran credits, complete the Veteran Credit application and check the applicable box, additionally you are required to follow the directions below regarding Disabled Veterans credits.

Effective January 1, 1998, the State Constitution was amended to permit a candidate currently in the armed forces to apply for and be conditionally granted veteran's credit in examinations. Any candidate who applies for such credit must provide proof of military status to receive the conditional credit. *No credit may be granted after the establishment of the list.* It is the responsibility of the candidate to provide appropriate documentary proof indicating that the service was in time of war, as defined in Section 85 of Civil Service Law, and that the candidate received an honorable discharge or was released under honorable conditions in order to be certified at a score including veteran's credits.

In conformance with Section 85-a of the Civil Service Law, children of firefighters and police officers killed in the line of duty shall be entitled to receive an additional ten points in a competitive examination for original appointment in the same municipality in which his or her parent has served. If you are qualified to participate in this examination and are a child of a firefighter or police officer killed in the line of duty in this municipality, please inform this office of this matter when you submit your application for examination. A candidate claiming such credit has a minimum of two months from the application deadline to provide the necessary documentation to verify additional credit eligibility. However, no credit may be added after the eligible list has been established.

APPLICATION REVIEW TOLERANCE POLICY-For the purposes of this policy, "tolerance" shall mean the leeway given regarding work experience when reviewing an application. Applicants lacking a small amount of work experience when applying for promotional or open-competitive examinations may qualify under the following conditions: 1) Candidates will be given a maximum tolerance of one (1) month. 2) Tolerance will be given only when the minimum qualification requires one or more years of work experience. 3) Tolerance Policy does not apply to education or licensure/certification requirements. (See particular examination announcement for "Anticipated Eligibility" information). 4) Tolerance Policy does not apply where required work experience is set forth by law or rules. 5) Tolerance Policy does not apply to enable applicants to meet residence requirements. 6) Experience gained after filing date will not be considered.
