Updated October 15, 2026

This is a Qualified Incumbent Examination (QIE) for current eligible employees in approved HELP program titles under the jurisdiction of Niagara County Civil Service. In order to qualify, employees must be permanently employed in one of the following HELP program titles for at least six (6) months. Employees will be added to a QIE eligible list with a score of one hundred (100). Seniority and veterans' credits are not permitted for a QIE. The QIE is posted on a continuous basis and scores will be interfiled as employees become eligible.

Employees do not need to file an application for a QIE. Civil Service will monitor eligible employees' roster records and notify the employee's agency/department. The agency/department will nominate the employee, the employee will complete the QIE and Civil Service certify your name for permanent appointment in the competitive class.
